### **Final Plat for recordation**

PLAT COPYING (OUTSIDE FEE): Metro Planning sends the mylar, after the plat is recorded, to a printer to make 11 copies and to fold and deliver those copies back to the Metro Planning Dept. The paper copy is distributed by Metro Planning to various agencies. The printer calls the surveyor to pick-up the actual mylar after copying has been completed. The surveyor is responsible for paying the printer for copying, folding, and delivering the recorded plat to Metro. The approximate cost for a 1 page plat is \$20.00. The surveyor is fully responsible for paying this fee.

#### PLAT RECORDING FEE\*

Recording Fee can be paid by separate check, prior to recording final plat. Make recording check payable to "Register of Deeds." No credit card, no cash.
